Low Income Taxpayer Clinic Grant Program; Availability of 2014 Grant Application Package

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice.

SUMMARY: This document contains a notice that the IRS has made available the 2016 Grant Application Package and Guidelines (Publication 3319) for organizations interested in applying for a Low Income Taxpayer Clinic (LITC) matching grant for the 2016 grant year, which runs from January 1, 2016, through December 31, 2016. The application period runs through June 15, 2015.

The IRS will award a total of up to \$6,000,000 (unless otherwise provided by specific Congressional appropriation) to qualifying organizations, subject to the limitations of Internal Revenue Code section 7526. For fiscal year 2015, Congress appropriated a total of \$10,000,000 in federal funds for LITC grants. A qualifying organization may receive a matching grant of up to \$100,000 per year for up to a three-year project period. Qualifying organizations that provide representation to low income taxpayers involved in a tax controversy with the IRS or educate individuals for whom English is a second language (ESL) of their taxpayer rights and responsibilities under the Internal Revenue Code are eligible for a grant. Beginning in grant year 2016, the LITC Program will award grants only to qualifying organizations that provide both services. An LITC must provide services for free or for no more than a nominal fee.

Examples of qualifying organizations include: (1) a clinical program at an accredited law, business or accounting school whose students represent low income taxpayers in tax controversies with the IRS, and (2) an organization exempt from tax under I.R.C. § 501(a) whose employees and volunteers represent low income taxpayers in tax controversies with the IRS.

In determining whether to award a grant, the IRS will consider a variety of factors, including: (1) the number of taxpayers who will be assisted by the organization, including the number of ESL taxpayers in that geographic area; (2) the existence of other LITCs assisting the same population of low income and ESL taxpayers; (3) the quality of the program offered by the organization, including the qualifications of its administrators and qualified representatives, and its record, if any, in providing assistance to low income taxpayers; and (4) alternative funding sources available to the organization, including amounts received from other grants and contributions, and the endowment and resources of the institution sponsoring the organization.

DATES: The IRS is authorized to award a multi-year grant not to exceed three years. For an organization not currently receiving a grant for 2015, or an organization whose multi-year grant ends in 2015, the organization must submit the application electronically at <a href="https://www.grants.gov">www.grants.gov</a>. For an organization currently receiving a grant for 2015 which is requesting funding for the second or third year of a multi-year grant, the organization must submit the funding request electronically at <a href="https://www.grantsolutions.gov">www.grantsolutions.gov</a>. All organizations must use the funding number of TREAS-GRANTS-052016-001, and applications and funding requests for the 2016 grant year must be electronically filed by June 15, 2015. ## SUPPLEMENTARY INFORMATION:

## Background

Section 7526 of the Internal Revenue Code authorizes the IRS, subject to the availability of appropriated funds, to award qualified organizations matching grants of up to \$100,000 per year for the development, expansion, or continuation of qualified low income taxpayer clinics. A qualified organization is one that represents low income taxpayers in controversies with the IRS or informs individuals for whom English is a second language of their taxpayer rights and responsibilities, and does not charge more than a nominal fee for its services (except for reimbursement of actual costs incurred). The IRS may award grants to qualified organizations to fund one-year, two-year, or three-year project periods. Grant funds may be awarded for start-up expenditures incurred by new clinics during the grant year.

## **Mission Statement**

Low Income Taxpayer Clinics ensure the fairness and integrity of the tax system by educating low income taxpayers about their rights and responsibilities, by providing *pro bono* representation to taxpayers in tax disputes with the IRS, by conducting outreach

and education to taxpayers who speak English as a second language, and by

identifying and advocating for issues that impact low income taxpayers.

**Selection Consideration** 

Applications that pass the eligibility screening process will undergo a two-tier evaluation

process. Applications will be subject to both a technical evaluation and a Program

Office evaluation. The final funding decision is made by the National Taxpayer

Advocate, unless recused. The costs of preparing and submitting an application (or a

request for continued funding) are the responsibility of each applicant. Each application

and request for continued funding will be given due consideration and the LITC Program

Office will notify each applicant once funding decisions have been made.

Nina E. Olson, National Taxpayer Advocate,

Internal Revenue Service.
